John Knuppel stated he had visited AJ Clements the week before his passing to discuss the Wal-Mart Neighborhood Market. Mr. Clements was active in our community and even helped with the soccer field layout. He was a diligent worker and will be missed.

James Montgomery stated ODOT is looking at placing yellow reflective strips on back plates of signal lights for night visibility. There are at least one or two lights in Yukon, they are looking at. He will send information to City Manager for approval. It will be at no cost.

Jay Tallant has noticed a lot of construction taking place. He questioned the construction taking place at Vandament and Queensboro. Mr. Tallant stated the Andrew Dr. off Garth Brooks Blvd. is rough and seems to be getting worse. He is concerned with no Street Supervisor. He has noticed stop signs seem high. And driving east on Excalibur Ct. to Majestic, stop signs are hard to see read due to fading.
